

**POUDRE SCHOOL DISTRICT GIFTED AND TALENTED PROGRAM  
PRESENTS:**

# **“Fostering Autonomous Learners in Your Home”**

**Presented by George T. Betts, Ed.D.**

Director of the Center for the Education & Study  
of Gifted, Talented, & Creative Learners  
University of Northern Colorado

**Thursday, November 4, 2010**

**6:30 — 8:00 p.m.**

**Leshar Middle School Commons  
1400 Stover Street, Fort Collins**

One of the major goals in education today is the facilitation of our children and youth to become lifelong learners. What skills, concepts, and attitudes are necessary for reaching this goal? This presentation will describe the many profiles of the gifted, and will provide the basic understanding necessary for facilitating our children and youth to travel the path of lifelong learning.

Come early or stay late to review our tabletop display of books and other resources designed to assist you in parenting gifted children.

*Dr. George Betts is a Professor and the Director of the Center for the Education and Study of the Gifted, Talented, and Creative at the University of Northern Colorado. He also directs the Summer Enrichment Program (SEP) for gifted learners. He is an internationally acclaimed speaker and consultant who specializes in helping schools, districts, states, and national organizations to implement and refine programs for gifted and talented learners.*

**No advance registration required**
