

A Summer Afternoon

On a summer afternoon,
I love to go to the pool.
When it's very hot outside,
I allow the water to cool.

On a summer afternoon,
I like to eat a peach.
Because it is so good,
I'm mad when it's out of reach!

When my summer afternoon is gone,
I like to stay up late!
It gives me time to dream,
Of the adventures that await!
